Elegance and Performance

Enhance the appearance of your home with Regency Series by Safe-Way Door. These handsome residential garage doors combine the beauty of wood-like design with the strength and easy care of steel. Available with a variety of panel styles, the Regency Series features insulation surrounded by two steel skins, thus providing durability and noise reduction. A choice of window styles and durable baked factory finishes lets you select the perfect door for your home.

Make a Statement.

*Safe-Way recommends viewing samples of Gentry style window prior to ordering. Gentry depictions on this literature are actual photography however lighting inside or outside the garage can significantly impact the "look" of these windows. Please consult with your dealer prior to purchase.

CONSTRUCTION

Two deep-drawn, tension-leveled, galvanized steel skins are polyester painted and wrapped around a one-pound density expanded polystyrene insulation board using a polyurethane adhesive. This construction method provides insulation value, durability, sound deadening qualities, and dent resistance for an all-around superior product.

- A. Finish Painted Coat
- B. Primer Coat
- C. Galvanized Layer
- D. Steel

- A. 11 ball nylon rollers provide quiet operation and long lasting durability.
- B. Heavy duty galvanized 14 gauge hardware.
- C. Tongue and groove design provides weathertight section joints.
- D. 2" expanded polystyrene insulation provides an R-Value of 10.25.
- E. Steel skins inside and out provide maximum durability.
- F. Aluminum bottom retainer with vinyl weatherstrip.
