**HomeLink®** compatible with all vehicles on the road today

**5-Year Motor Warranty**

1 - Year on battery and all other parts. Please refer to operator owner's manual for more details.

**SAFETY & SECURITY**

Guardian garage door openers are manufactured to comply with the latest industry standards. Our advanced, steel-enclosed, water-resistant, photo-eye system ensures the highest degree of reliability in detecting obstructions during operation.

**CLEARCOM® TECHNOLOGY**

Your secure code is communicated to your opener over two frequencies. This provides a more reliable response when frequency interference is near.

**BATTERY BACKUP POWER SUPPLY**

- ▶ Lithium Polymer Battery
  - ▶ Charge and Power Indicator LEDs
  - ▶ Built-in LED flashlight to light your way in a dark house
  - ▶ Built-in Thermal Protection—heats a cold battery until it is safe to charge or cuts charging power when temperature is too hot
  - ▶ Recharges off-line with plug-in transformer
  - ▶ 4-Year effective battery life
  - ▶ Power for over 100 cycles in 24-hour period (new & fully charged, room temperature, balance 8'x7' door)
- Item #BBU

**OPTIONAL CONVENIENCE ACCESSORIES**

Ask your dealer about adding more convenience and control with your new operator

**Wireless Keyless Entry Keypad**

*never be locked out*

An entirely weatherproof, wireless keypad that allows quick and secure access to your garage door. One keypad can control multiple Guardian garage door openers.

Item # WKCC

**Premium 3-Button Mini Remote Control**

*for active lifestyles*

The perfect fit for those on the go, this remote is slender enough to fit in your pocket, purse or on your keychain. Equipped with backlit LED buttons for convenience.

Item # 3BMINICC
