# SteeLite Series

*Sleek and Strong for a Lasting Impression.*

Safe-Way warrants the sections of SteeLite models against rust through due to the paint finish cracking, checking, or peeling (losing adhesion) for (a) insingle family residential installations for as long as the original purchaser owns the home; or (b) in all other residential installations (including commonly owned facilities by condominium associations or similar organizations) for a period often (10) years from the date of purchase by the original purchaser. If during the term of the warranty, the sections are determined to be defective, as verified upon inspection by person authorized by Safe-Way, Safe-Way will repair or replace any defective section when installed by qualified personnel in accordance with instructions from Safe-Way.
